

After 21 years a pari-mutuel racetrack, Manor Downs is closing on Sunday, July 25, 2010.

The recent significant drop in handle due to the economy, along with the migration of horses to neighboring states were the primary reasons for the closing. "We regret that we are no longer able to accommodate the horsemen and our loyal patrons, but we appreciate their support."

Outstanding tickets may be cashed up to one (1) year from date of issue.

Tickets may also be mailed to:
PO Box 141309, Austin, TX 78714

Manor Downs remains a multi-purpose facility, which includes a commercial kitchen, a Turf Club and over 500 stalls. Manor Downs has previously hosted numerous concerts, the largest being Willie Nelson's Farm Aid II with over 50,000 in attendance.
